Good Samaritan Ministries is a 501(c)3 non-profit Christian mission whose purpose is to help our neighbors living in poverty and to give others the opportunity to share in that work through the giving of their time, talent and resources.

We provide opportunities for churches, youth groups, classes, clubs, civic organizations, businesses and individuals to practice loving their neighbors through volunteer service.

Jesus was serious when He said **"Go and do likewise,"** after the story of the Good Samaritan in Luke and **"Love your neighbor as yourself."**

We believe our neighbor is anyone who is in need, not just those who look like we do, talk like we do and act like we do. **EVERYONE.** And that is a **BIG** undertaking! GSM was created more than 20 years ago as an extension of the local churches with the idea that we can do so much more together than we can apart.

Together we can extend our reach of compassion into the entire community, with one goal: putting hands and feet to the faith we profess.

Join us as we proclaim the Gospel in both word and deed to our neighbors in Brown County.
